

Workshop on Wind Energy systems

Monday 25th march 2019

Meeting Room Hotel Marhaba Palace, Sousse, Tunisia

General chairs

Mohamed CHAABANE

Yassine KOUBAA

Fernando TADEO

Organizing Committee

Hafedh ABID

Moez ALLOUCHE

Yasser DESSOUKY

Mariam GHAMGUI

Omar KAHOULI

Financial chair

Maher KHARRAT

The WESET Tunisian workshop on Wind Engineering is organized by the Univ. of Sfax-Tunisia with the assistance of the Univ. of Valladolid-Spain. The workshop is financially supported by the ATTNA association (Tunisia) and by EACEA (WESET project: www.weset-project.eu).

This workshop focuses on Wind Engineering Skills in Tunisia. The main goal of this workshop on Wind Engineering is to present the Wind Energy Conversion System and Control Systems for Wind. Discussions will concentrate on Control and diagnostic study of Wind Energy Systems

To express interest in attending this workshop, please contact:

Prof. Mohamed CHAABANE at mohamed.chaabane@enis.tn

Schedule

09:00 am: Arrival and Welcome

09:30 am: Chairs Opening Remarks

09:45 am: Presentation of WESET Project (Prof. Fernando Tadeo, UVA-Spain)

10:00 am: Coffee Break

11:00 am: Session on Wind Energy Conversion System (Chaired by Prof. Yassine Koubaa, ATTNA-Tunisia):

12:30 pm: Lunch

2:30 pm: Special Session on *Control Systems for Wind* (Chairs: Prof. Yasser Dessouky, AASTMT-Egypt)

3:30 pm: Discussion on Control and diagnostic study of Wind Energy Systems (Chaired by Prof. Mohamed Chaabane, USfax-Tunisia)

4:00 pm: Coffee Break

4:30 pm: Round table : Discussion on Wind Systems (Moderated by Prof. Fernando Tadeo, UVA-Spain)

5:45 pm: Chairs closing remarks

6:00 pm: Meeting Close
