

Final Conference on Wind Engineering Skills in Egypt and Tunisia (WESET)

Saturday, 03 July 2021

National Engineering School of Sfax,
University of Sfax, Tunisia

Honorary Chair

Slim ABDELKAFI

General chairs

Mohamed CHAABANE

Fernando TADEO

Co-General chairs

Mariem GHAMGUI

Abdelmajid OUALHA

Organizing Committee

Maher KHARRAT

Moez ALLOUCHE

Financial chair

Maher KHARRAT

The WESET Tunisian final conference with the assistance of the Univ. of Valladolid-Spain. The Final conference is financially supported by the ATTNA association (Tunisia) and by EACEA (WESET project: www.weset-project.eu).

This WESET Tunisian final Conference focuses on Wind Engineering Skills in Tunisia. The main goal of this final conference on Wind Energy is to present the development of master modules in wind energy engineering at ENI-Sfax Tunisia, designed to meet the requirements of the local Wind Energy Center, as well as the equipment's acquired within the framework of the WESET project to ensure the practical work.

To express interest in attending this WESET Final Conference, please contact:

Prof. Mohamed CHAABANE at mohamed.chaabane@enis.tn

Dr. Mariem GHAMGUI at mariem.ghamgui@enis.tn

Or send your contact information (Full name and e-mail address) to

info@weset-project.eu

Schedule

09:00 : Opening by the director of ENIS

09:15 : Presentation: WESET project, Prof. Mohamed CHAABANE

09:30 : Presentation: Wind Energy Center in ENIS-Tunisia: Dr. Mariem Ghamgui

09:45 : Coffee break

10:15 : Presentation of the engineers training Electrical conversion of Renewable Energies (CEER) in ENIS, Prof. Abdelmajid Oualha

10:30 : Presentation of Master SEER in ENIS Tunisia: (Electrical Systems and Renewable Energy), Prof. Lotfi Krichen

10:45 : Interventions by academics and industry (STEG, ANME, etc.)

11:30 : Round table : Discussion on Wind Systems (Moderated by Prof. Yassine KOUBAA & Prof. Mohamed CHAABANE)

12:00 : Meeting Close

Co-funded by the
Erasmus+ Programme
of the European Union
